## **ACHARYA VIKUL BANSAL**

### **Founder Pinnacle Vastu**

**His story unfolds as a testament to relentless pursuit, transformative discoveries, and a commitment to bring genuine value to the field.**

Acharya Vikul Bansal's journey into occultism commenced in the year 2012. This pivotal moment acted as a game-changer, awakening him to the immense potential within the occult field. However, even in the midst of this realization, he couldn't ignore the exploitative practices prevalent in occult education, products, and services.

A management graduate, scion of a business family, and an inquisitive rationalist, embarked on a profound exploration of esotericism. Deep research, extensive brainstorming, and on-field experiences led him to redefine the landscape of occult education, products, and services in an unprecedented manner.

**The fruit of this endeavor was the birth of Pinnacle Vastu Consultants, a brainchild that signifies authenticity and innovation.**

Throughout his journey, Acharya Vikul Bansal has held a firm belief that meditation is the key to success, not just for himself but for every individual. He delved into the ancient occult practices, mastering breath and mind control techniques, philosophies, and the intricacies of personal growth.

**For a decade, Acharya Vikul Bansal has dedicated himself to adding value to the entire system of occult education, products, and services. There has been no looking back since the inception of Pinnacle Vastu Consultants. His relentless efforts are not confined to the present; he envisions a revolution in the field of occultism in the coming years.**
